Spring Picture Day - March 12th  
Happy St. Patrick's Day!  
Spring Break is the week of March 16th!

March is upon us! I would like to wish our students and staff the best for our first round of state testing the FSA Writing Assessment. Please know that our students and teachers have been working really hard and will put all that they have learned into this assessment.

On an exciting note, our school has been selected as a model school for Positive Behavior Supports. We are the only "Gold Status" Award Winner in our district. The teachers, staff and students really know the Key to Success when it comes to Being Safe, Respectful, and Responsible.

Finally, we have several teams competing at the Regional Odyssey of the Mind competition on March 7<sup>th</sup> at Weightman Middle School. We hope you can come out to support our teams. Go Schrader Raider College Invaders!

## **A WORD FROM THE PASCO COUNTY SHERIFFS DEPARTMENT**

The Pasco County Sheriffs Department would like to remind our families that all bikes should be locked and stowed away within the designated areas at school and at home. There have been numerous bike thefts in the area.

Thank you,  
PCSD

**LOST AND FOUND**—Please have your child check our Lost and Found in the cafeteria if you are missing a jacket or sweatshirt. Remember, it is best to label all clothing.

**BOX TOPS FOR EDUCATION**

You aren't throwing these little things away, are you? Each one is worth at least a dime! Please help us by cutting them out and sending them in. We will provide a new collection sheet each month as a reminder to keep on collecting, but you can also send them attached to a regular piece of paper, dumped into a baggie, or shoved in an envelope. Make sure your child's name is on the bag, paper, or envelope so he/she gets credit for them. Sadly, we cannot accept expired boxtops.

Thank you for helping us turn garbage into money!

**TALENT SHOW IS COMING!**

Our 6th-Annual Talent Show, will be held at River Ridge Performing Arts Center, on April 10th, from 6:30-8:30 PM.

A flier was sent home in February regarding auditions and rehearsals for students who wished to perform.

Permission slips were due back February 20th. More information to follow as the Big Day approaches:

**MRS. CELATA'S COUNSELING CORNER**

It is hard to believe that March has arrived already and that Spring Break is just around the corner! During the month of March some students may start getting a little bit of Spring fever therefore, my lessons will focus on respect. As I visit classrooms we will have discussions about how we show respect in school, at home, with our friends and throughout our community. This is a perfect time to remind students that keeping focused and making respectful choices is important and although we are moving into spring, we still have a few months of hard work ahead of us!

If you have any questions or concerns that you would like to discuss please do not hesitate to call me during school hours. I can be reached at 727-774-5900.

Kristine Celata  
School Counselor

### SCHOOL CONNECTS 888-882-7179

When the school or district sends you a SchoolConnects phone call, it will now be listed as the number above. When you call to listen to the voicemail if you have missed the call, it will go to SchoolConnects and you can listen to the message at that time. This again is only for SchoolConnects messages. Please do not disregard calls from this number. Thank you.

### HUMAN GROWTH AND DEVELOPMENT INFO. FOR GRADES 4/5

Grades 4 and 5 will begin studying Human Growth & Development on April 20th. An overview of this curriculum will be mailed home to ALL 4th & 5th grade parents during the week of March 10th, to the address we have on file.

Please check your mailboxes.

You will also be able to meet with Mrs. Beneduci, the school nurse, on March 31st, from 10 AM - 3 PM, if you have any additional questions, or you can set up an appointment with your child's teacher.

If you do not want your child to receive instruction in this area, please notify your child's teacher in writing at least 3 days prior to the start of the unit.

Thank you.  
Respectfully Submitted,

Antoinette Beneduci, RN-BC

### iMOMS BREAKFAST IS MARCH 6TH!

We hope you can join us for our second iMoms Breakfast on March 6th, from 8:30-9:15 AM. A hot breakfast will be served and the cost will be \$3.00, but you can also get a FREE grab and go breakfast if you prefer. We will have some fun activities, a guest speaker, and will conclude with free resources and door prizes. Hope to see you there!

**STEM (Science) FAIR WINNERS ANNOUNCED**

It was a very hard decision for our 12 judges since there were so many really good STEM projects!

**STEM winners for 2015: Kendall Johnson (The Baking Challenge); Zoie Wagner (Impact); Allan Ho (Extendable and Retractable Bar Soap); Aiden Davis (Magnetic Bookmark); Gavin Hoogerheide (Burning Rubber); Katharine Baclawski (Rubber Guard); Sara Flowers (Stress Balls); and Sophia Makris (The Pet Protector).**

Thanks to all the teachers/parents who encouraged their students/children and helped make this a very successful STEM fair! The projects going to district were creative and useful projects that could benefit people in real-life situations. Some of these inventions can even become products on the market in the near future.

Sincerely,  
Suzanne Hubbard, 4th grade teacher and STEM Fair Coordinator

**ORDER YOUR SCHRADER FULL COLOR YEARBOOK TODAY!**

If you would like to **CAPTURE A MEMORY** of this past school year, our Schrader yearbooks will be available in May while supplies last. We are accepting pre-payment from now until then – either \$15 cash or a check made out to Schrader Elementary. All checks must include name, address, working phone number, and student ID number. You must have the Student Planner with you when paying – this will be your receipt. Thank you.

**PARENT INVOLVEMENT**

Two words with such great importance, and for each family it means something different. Sometimes it seems that all we can do is just to manage getting the kids to school, doing homework, running off to dance or karate class, or sports practice, and we can't begin to think of adding more "Involvement" to our schedule. Not to worry! Spending time with your child developing a good relationship is the very foundation of being a good parent and being involved. The bond and closeness you form now with them will carry you through those difficult teenage years when conversations can be difficult at best. Reading with them during quiet times, talking about the T.V. shows you're watching, asking questions while you're driving in the car, are all great opportunities to stay connected with your child. If you ever need direction or support during a difficult time, please contact me at Schrader. I am here as a resource and support for you. My door is always open. Enjoy your children now, because the years will fly by and you'll wonder where the time went.
