FALL PICTURE DAY - OCTOBER 9TH
(order forms will be sent home October 2nd)
FALL FESTIVAL - OCTOBER 17th - 5:30-7:30 PM
Food! Fun! Games! Please Join Us!

It has been amazing to see our students flourishing in these first few months of school. I wanted you to know that we are continuing to honor students who show great character and work so hard on improving their academic success. For example, students are nominated by their teachers to be an "Academic Ace" for showing growth or proficiency and hard work in an academic subject. The students will eat lunch with the administrators on the stage in the cafeteria and receive some special awards. It is such a joy to meet with our students and praise them for their hard work and effort. Academic Aces is just one way we appreciate our students and recognize them for all the positive things they are doing.

I look forward to seeing you during parent/teacher conferences and at our Fall Festival on October 17th. Please let me know if you have any questions or concerns.

Schrader Raider College Invaders,
Mrs. Berryhill

BOX TOPS FOR EDUCATION

You aren't throwing these little things away, are you? Each one is worth at least a dime! Please help us by cutting them out and sending them in. We will provide a new collection sheet each month as a reminder to keep on collecting, but you can also send them attached to a regular piece of paper, dumped into a baggie, or shoved in an envelope. Make sure your child's name is on the bag, paper, or envelope so he/she gets credit for them. Sadly, we cannot accept expired boxtops.

Thank you for helping us turn garbage into money!

IT'S TIME FOR OUR FALL FESTIVAL!

FRIDAY - OCTOBER 17TH

5:30-7:30 PM

Mark the date on your calendar! Information will be coming home shortly (as plans are finalized) about our fall festival! We know from years past and the positive feedback that we have received that everyone has enjoyed the festival - which includes games, food choices, and prizes - plus a chance to mingle with the members of your Schrader family. We look forward to seeing you at what is sure to be a fun-filled evening for the whole family. Please continue to check your child's backpack for the flier, check online, and listen to our School Connects phone message about the festival as the special day nears!

CHARACTER PARADE!

OCTOBER 31st

10:00 AM

There will be more information later on in the month about our annual Character Parade. This is to give you advance notice that if your child will be participating and you are going to purchase or make a costume, we ask that there be no "weapons," no bloody costumes, or anything gory or inappropriate. Also, be sure the costume does not pose a tripping hazard and that there are no masks which could obscure their vision. The children and staff who do participate and the parents who come to watch always enjoy this event!

VOLUNTEER/WATCH DOG/PARENT INVOLVEMENT

Our **WatchD.O.G.S. Kickoff** was a huge success. It was inspiring to see so many dads, stepdads, grandpas, uncles and other male role models attending the kickoff. Lots of them signed up for the month of October to participate in the program. WatchD.O.G.S. will come on campus and help with morning arrivals, monitor our campus during the day, assist teachers on the playground with safety, help in the lunchroom with the many needs the students have, help in the classrooms and end the day by helping with dismissal. We truly hope you will consider being a part of this family involvement program directed to the male volunteering opportunities. Schrader WatchD.O.G.S. are awesome! For more information about volunteering in the program, please call Mrs. Montaldi, Parent Involvement/Volunteer Coordinator. Our office # is (727) 774-5900.

The month of October is very busy for Schrader. The **Active Parenting** classes will be October 2nd, 9th and the 16th. The **School Advisory Council (SAC)** will be on the 10th. The **Fall Festival** will be October 17th, and the **Health Screening** will be October 23rd. The **Blood Mobile** will be in the parking lot on the 16th. Many of these events need volunteers, so there are lots of opportunities for you to get involved and help make all the events run smoothly. Just call the school if you would like more details or would like to volunteer.

It's not too early to schedule the **Great American Teach-In**. November 19th is the day of the Teach-In. Maybe letting your boss know this far in advance you can schedule to come in and be a guest speaker or presenter for our students. It's a great opportunity to share your career, job experiences, traveling experiences or hobbies. Please watch for the flyer to come home with your student for more information.

Janice Montaldi, Parent Involvement

ATTENDANCE: One of our main goals is to have your child in school each and every day. We must improve our attendance as a school. Please help us with making sure your child is on time as well. We need your help in accomplishing this goal. You can assist us by ensuring your child attends school on a regular basis and is ready for the bus, walking or being a car rider each day. Please help your child by making sure they attend school every day, unless they are sick. If your child is out sick, please send your child to school the next day with a note or take a moment to call in your child if he/she is unable to attend school. Our school number is: 727-774-5900.

Out-of-Field Teaching Assignments

Individuals who are teaching out-of-field are certified in at least one area and are qualified to teach but are required to take additional course work or testing to add a coverage/endorsement to their certificate. The state also requires a teacher to take coursework/in-service towards an English for Speakers of Other Languages (ESOL) endorsement, when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teachers have agreed to work towards the ESOL endorsement: Christa Alderman, Jill McHugh, James Cook, William Robinson, and Kimberly Thompson.

Requisitos para la enseñanza "fuera de campo"

Los maestros que enseñan fuera de su campo están certificados en por lo menos un área, y están calificados para enseñar, pero necesitan tomar cursos adicionales o pruebas para ampliar la cobertura/endoso de su certificado. Cuando el maestro es el proveedor primario de enseñanza de Artes del Lenguaje y/o el maestro de lectura de un estudiante ESOL, el estado también requiere que el maestro tome cursos/servicio interno para el endoso de Inglés para Personas que Hablan Otros Idiomas (ESOL).

Los siguientes maestros han estado de acuerdo en trabajar para obtener el endoso de ESOL: Christa Alderman, Jill McHugh, James Cook, William Robinson, and Kimberly Thompson.

WHY SUPPORT YOUR PTO?

Do you know where your money goes when you join the PTO? Here are a few places the money is invested: The PTO helps support school programs for your children such as our newly-formed Watch D.O.G.S, it helps fund our Fall Festival and Spring Carnival, and helps with field trips and additional funding when necessary. Thanks to those of you who joined the PTO at Open House. Please remember that you can still join for just \$3.00 per family at any time throughout the school year - your children will benefit and there is no other obligation.

McDonald Night will be October 21st, at the SR 52 McDonald's from 5-7 PM. Eat in or Dine Out - Schrader gets 10% of the proceeds.

We will have our **first PTO fundraiser** of this school year. The kickoff for our Catalog/Cookie Dough Fundraiser is October 3rd. Sales end October 15th and delivery is in late November. Information will be on its way to you shortly.

MS. ARANEDA'S GUIDANCE CORNER

This month elementary school students across the county are learning the importance of Saying NO! To Drugs. Our Guidance lesson goes over WHAT substances are dangerous or prohibited for children and HOW to avoid such Peer Pressure and stand up for yourself if peers or older kids get pushy about it.

I am very impressed with the intermediate classes I have taught so far, because they have some good ideas about HOW to stand up for themselves with humor, integrity and determination. With the younger children, the focus will be broader to include household items that are dangerous.
