

Read, Write, Think TimeLine

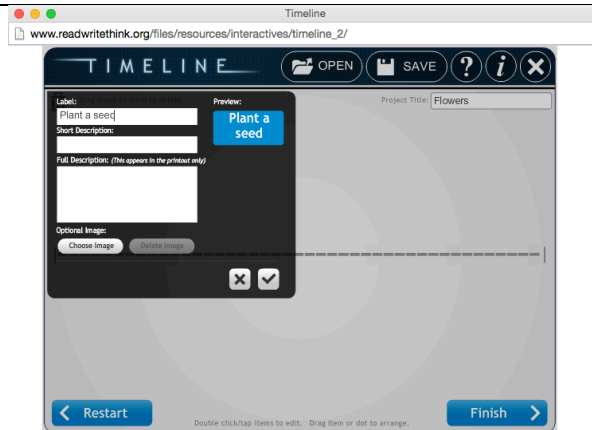

<http://www.readwritethink.org/classroom-resources/student-interactives/timeline-30007.html>

1. Click on get started

2. Have student put in name and title

3. Click on line to put in Label and description.

5. Click Finish

4. Choose Picture that has been downloaded and saved to desktop. (Do Not Stretch beyond Border)

6. Save draft will save as RWT file. This file will only open through Read Write think on line. (Notice the open button above)

7. If finished save final which will save as a PDF.

*Keep in mind if this will be an ongoing project students have to save work to Canvas.
