

Freshopoly Start 1/11 ends 2/5/2016.

Join the Schrader FNS staff in promoting school lunches and healthy eating choices. For the month of January Schrader cafeteria will be featuring a game of Freshopoly. During lunch every student who eats lunch with us will receive a ticket. These tickets will be of our healthy lunch choices and instant wins. The first class to collect 15 each of all healthy offerings on our Freshopoly game board will win a greenhouse kit for their class. They will also win a class prize chosen by an assigned teacher for each grade. The teacher in the winning class will receive a \$25.00 Publix gift card as a thank you for helping us promote our healthy school lunches.

Instructions to Play:

1. Each class assign one person at lunch to collect all student tickets. These tickets will be handed out by our cashiers. We have provided a ticket collection bag for your convenience.
2. Choose a student to sort tickets. Track your classes progress with the provided tally sheet. Once 15 tickets of a healthy choice are collected that square on your game board is complete. Be the first to collect 15 of each colored square on your game board and your class wins.
3. Save the 15 tickets of each healthy choice and return to Joanne Schmidt to receive your prizes.
